

of LB821 from General File. 821 from General File to E & R Initial. Have you all voted? Clerk will record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: Very good, the bill is advanced. Then that brings up Senator Kime's 625.

CLERK: Read LB625

PRESIDENT: Senator Barnett, who wants to handle the amendments, Senator Kime?

SENATOR BARNETT: That is fine, if Senator Kime wants to, that is alright.

SENATOR KIME: I'm trapped. Mr. President, the committee amendment is the bill. The amendment for 625 is the bill.

CLERK: (mike not activated in time) Senator Kime to amend the committee amendments on page 4, line 14 strike 2 and insert three, signed Senator Kime.

PRESIDENT: Senator Kime, back to you.

SENATOR KIME: This bill asks for 15¢ a mile for the transportation of prisoners and insane people to various institutions and it asks for 18¢ per mile for criminal work throughout the state. This bill applies only to the smaller counties. It has nothing to do with Douglas or Lancaster County or any county that has more than 50 prisoners a day, or any county that uses county cars. It applies only to sheriffs and deputy sheriffs who drive their own cars. The amendment that was just asked for allows them \$3.50 a day for boarding there prisoners rather than \$2.50 a day. I move the amendments be adopted.

PRESIDENT: We are adopting the Kime amendment to the committee amendments first. It is the Chair's understanding that that raises this from \$2.50 to \$3.50?

SENATOR KIME: That is right, yes.

PRESIDENT: Is there further need of discussion of that motion? The question is shall the Kime amendment to the committee amendments be adopted? All those in favor say aye, those opposed say no. Senator Kime's amendment is adopted. Senator Kime we have the committee amendments as amended by your amendment. What is your pleasure on that?

SENATOR KIME: I move that they all be adopted.

PRESIDENT: Alright the question is shall the committee amendments now as amended be adopted. All those in favor of adopting the amendments say aye, those opposed say no, amendments are adopted, now....

SENATOR KIME: I move the adoption of the bill.

PRESIDENT: Are there other amendments to the bill? Is that it?

CLERK: No others.

PRESIDENT: Is shall LB625 as amended be advanced from General File to E & R Initial All those in favor vote aye, those opposed
